**Club Championships**  
**Sponsored by:**  
***Chris & Brenda Hicks***

## COMPETITION FORMATS

**CLUB CHAMPIONSHIPS:** There will be 6 qualifying rounds (1 per month) with your best 3 rounds to count. At the end of the 6<sup>th</sup> round the top 3 players (and ties) will play off for the Title in October. Eligibility will be minimum 3 completed championship rounds.

### **.STROKE:**

Gross Score = Total of strokes for each hole.

Nett Score = Gross Score less your handicap.

Club Championships are decided by gross score over 36 holes.

### **PAR:**

Using the Stroke index shown on the score card and the individual player's handicap, 'Par' can be calculated for each hole. The Score is marked with

Plus: '+' for one stroke under the player's par.

Square: □ for equal to player's par.

Minus: '-' for one stroke over the player's par.

The Score is the result of all the pluses and minuses, ignoring the squares.

### **CANADIAN FOURSOMES:**

Played with a partner. Both players tee off on all holes.

The players then decide together which ball is in the best position. The other ball is taken out of play. If Player A hit the selected ball, then player B hits the next shot or vice versa. Play continues on an alternate shot basis until the hole is completed.

A penalty shot does not affect the order of play.

Each team's handicap is calculated by taking 3/8ths of the partners combined handicaps. The team with the lowest score is the winner.

### **MATCH PLAY:**

**Match play** is a form of **play** where a **player** (or players) plays directly against an opponent (or opponents) in a head-to-head **match**. You win a hole by completing it in the fewest number of strokes, and you win a **match** when you are winning by more holes than remain to be **played**.

### **STABLEFORD:**

Handicap applied as for PAR but the scoring method is different:-

1 point one stroke over player's par

2 points equal to player's par

3 points one stroke under player's par

4 points two strokes under player's par. Etc

The Score is the total of all the points scored.
