## BI NEWSLETTER

APRIL 2024

### *A MESSAGE FROM THE PRESIDENT*

I will start by thanking all the members that supported the club on the Easter Fundraiser Stall and all the hard work they put in to help raise funds for the club. I would also like to thank all the sponsors who provided produce for us to sell or cook throughout the morning.

May I also thank all those who took the time to attend the Summer Cup presentations and dinner and thank the Janine and her team for providing a very wonderful meal for the event.

As we enter into the winter season, can I remind everyone of the forth coming golf events available on the [website](#) which have been arrange by Phil and his Match Committee.

My final comment is to remind everyone to add the **Sunday 13<sup>th</sup> October 2024** into their calendars and ensure they attend the **2024 AGM** to nominate the next committee and to attend the presentation and lunch.

Regards and best wishes.  
Nigel Daddow

## **EASTER FUNDRAISER**

### **ANOTHER GREAT SUCCESS**

Our treasurer, Andrew McKean has reported that our takings for the day **totalled \$3453.60.**

These things don't happen without an enormous amount of time and effort being put in by a lot of people

A huge thanks to all of our Committee for their efforts both in the lead up and on the day of the event!

Thanks to all of our members who contributed with donations and support.

Thanks to the local residents and visitors who attended to help us make the day a big success.

## SUMMER CUP

The prestigious Summer Cup was an exciting contest right to the end. The Summer Cup awards were presented at the dinner on Saturday 6<sup>th</sup> April after the Opening Day.

The winner of the Men's Summer Cup was Andrew McKean

The runner up was Clive Ellis who was in pretty good form over the summer.

The Ladies Summer Cup was won by Linda Ellis who won on a countback from Kerry Jones. Unfortunately, both ladies weren't able to make it to the dinner. Great golf ladies, well done.

The summer season eclectic was won by Clive Ellis with a magnificent 56.

Well done to all the winners and all the golfers who took part in the rounds of the Summer Cup.

## ***GREAT WORK AROUND THE COURSE***

The improvements around the course continue:

The 4<sup>th</sup> hole tee box extension is well under way. This will give us more flexibility with the tee off markers and enable us to better maintain this tee box.

It's going to add to this beautiful little golf hole. THANKS ABE!

Work is underway in the area between holes 5 and 6. You would have noticed that it has been cleared and is currently marked as GUR (Ground Under Repair). This means you don't play from inside the marked area.

The plan is to regenerate with appropriate taller plants rather than scrubby shrubs. It's already looking better!

The hole 8 tee box is also on the list for a makeover in the coming weeks.

## FROM THE CAPTAIN

Golfers are asked to take much more care when filling in their golf cards.

If we, (meaning the captain of the day) can't read it, you **SHOULDN'T PRESENT IT!**

Also a reminder about driving golf carts: please only drive on the fairway and **NOT** in the sandy parts of the course.

## CONGRATS JACK ELLIS

As a long time member, we have often been in awe of Jack Ellis's golfing exploits.

Late in February, Jack graduated from Curtin Uni with a degree in Engineering. Well done Jack, like your family, we are all proud of you!

## MONTHLY BUSY BEE

*The first Monday of EACH month*

The next Busy Bee is **MONDAY 6<sup>th</sup> MAY**

**8am**

**For about half a day**

A fair bit to be done this month, so we'd love to see you there to give the course a touch up.
